## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-8, 10-26 and 59-63 are allowed.

The following is an examiner's statement of reasons for allowance: The closest prior art known to the Examiner is listed on the PTO 892 and IDS forms of the previous Office action. As stated in the previous Office action, the cited prior art does not anticipate or make obvious disposing the transfer or receiving substate on a roll, or moving the transfer and the receiving substrates to obtain the alignments as required by the present claims. The rejections of record are withdrawn in view of the submitted amendments. Therefore, Claims 1-8, 10-26 and 59-63 are allowed over the cited prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
